CRUISIN' TO
THE BIG EASY

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

Rose is my wife's friend who's taken a couple gap years and now is headed back to college. Her boyfriend Neal, is a little bit out there. She called from the Big Easy to tell my wife about their drive down. Unbeknownst to Rose, my wife put the call on speaker and we listened as she recounted part of the drive – word for word, it seems. She's in her final year at Tulane. She said Neal was sitting in the passenger's seat with his pants off and on the floor around his feet as they were doing seventy headed south along I-55. And so she starts...

I was mildly shocked and amused, and having slight difficulty concentrating on my driving. My left hand held the steering wheel firmly and my right hand was playing with the stick-

shift. His, that is. We have a fun relationship because we're both fun people.

"This is crazy." I said, firmly gripping the base of his penis and tugging on it. "What if we get pulled over?"

"Don't speed or anything and we won't." Neal said. My hand slid up his shaft and I curled my fingers around the head. I felt a little drop of wetness against my palm. I squeezed, trying to make that happen again. I looked in the rearview mirror and saw a car approaching in the next lane.

"Darling..." I said uneasily.

B04-BLAIR

"Don't worry about the cars." he said. "Just let me know if you see a truck." He punctuated the sentence with a grunt, and I felt a little more wetness. I wiped it away with my index finger, then raised the finger to my lips and licked it quite deliberately. Watching me, he moaned.

I puckered my lips around my finger and slowly sucked it in and slid it out of my mouth. I did this a few times, and lapped it lasciviously, while he watched with wide eyes.

"This is what I want to do to your cock." I told him. I laughed, then grabbed him again and vigorously renewed my massaging. A car passed us on the left, then suddenly slowed down so that we caught up. I took a quick glance. The man in the car was gaping at us. I broke into an embarrassed laugh, sped up and changed lanes to leave the car behind.

"That guy saw us." I remarked.

"I don't care," he said. "Do you?"

"Oh, you dirty boy!" I squealed. I stroked it with my fingers.

"Thank you!" He reached down and retrieved his shirt. "I guess I really should put my clothes back on, though."

"Yes, do that." I let go of him and put my hand on the steering wheel as he buttoned his shirt but left his pants on the floor. His long cock pointed up from his lap. "Quite nice." I said, reaching over and taking hold of it again.

I caressed it for a few moments while he writhed around in his seat and made little noises. Another car was approaching. Hastily, I snatched my hand away.

When the car had passed, we returned to our activity, only for it to be interrupted again a moment later. I giggled, seeing him trying to cover himself. A few more cars passed, then the road was clear. I pushed his hand away and discovered that his cock had softened a bit while the road was busy. "Oops!" I said, jiggling it.

**His long cock pointed up from his lap.
"Quite nice." I said, reaching over and taking hold of it again. I caressed it for a few moments while he writhed...**

"This won't do. I want it hard!" I said

"Well, m'love, you know how to accomplish that." he replied.

"Yes, I do." I said, proceeding. It didn't take but a few squeezes to return my plaything to its former state. A few more and he was once again squirming in his seat. "Feel good?" I asked.

"Too good." he said slowly. "Stop. I'm going to come."

"Stop? You don't want to come?" I asked him.

"Well, I do, but that wouldn't be fair."

"Oh, no, baby, yes, it would! I want you to come!"

"No, because I can't do anything for you!" he said.

"Yes you can. You can come so I can lick it off my fingers."

I pulled his cock rhythmically. He grunted loudly in response.
"Oh, baby, your cock is so warm and hard. I want you to come
so I can taste you. I can feel the blood just throbbing in it!"

"And the cum... building up..." he added, trying to keep his
voice steady. His breath was getting fast and heavy.

"Most certainly." I raised my hand to my face and sniffed it.
"And my hand smells like your cock... it smells so good... I just
want to bury my face in it..." I dropped my hand back into his
lap and seized him again. I squeezed his balls and tickled his
cock before once again putting my hand around it and jerking
it. "Cum on, baby. Cum on" I urged. "Don't hold back."

"Oh, God..." he moaned.

"Don't keep it in." I said. An uncontrollable sound spilled from
his throat, and I made a soft sound in response. I rubbed faster
in encouragement.

"Well, give it to me now! Pour it out! Just come!"

"Ohhhh... aaaaahhh, baby... it's good... oh, feels so good....
I'm gonna cum, gonna cum....gonna...AHHH!"

His hips jerked upward from the seat, and his rapid breathing
slid into a long sigh. I turned my head just in time to see hot,
milk-white semen spill from his cock onto my hand. It ran down

my fingers and off my wrist and dripped into his crotch. The
last squirt landed on his belly. I continued with my driving as
he slumped down in his seat trying to calm down.

"I'm so glad you enjoyed that. I did, too...very much." I said.

"Oh, not as much as I did!"

"Maybe not quite as much as that, but still very much."

"Oh, good, baby...I felt so selfish."

**"...my hand smells like your cock... it
smells so good... I just want to bury my
face in it..." I dropped my hand back
into his lap and seized him again.**

"It was a good time to be a little selfish."

"But I want you to feel good too, baby." he said.

"It made me feel good to make you feel good. Feeling good
is what we're all about." I reached over and stroked his neck.

"Besides, I'll get mine later." I ruffled his hair. "Won't I?" I added coyly. We drove on for three more hours because I couldn't take it anymore. I pulled over at Shreveport and we got a room because I wanted mine now...

Rose suddenly stopped talking when she heard me giggle.
"Who's that?" she asked. We confessed that we were both
listening and she started cussing us out. A minute later, she
settled down and we laughed for the next ten minutes.

Taking It Off to Put It in!

I had my cherry popped in the back seat of an Escalade by a guy I'd known for only two years. He was a very smooth talker and talked me right out of my panties. I've learned a lot since then and one thing I really like to do is to please myself. It's not all the time, but today does seem like one of those times.

Backdoor Loving

Have a look guys. You like my ass? Wanna see it get fucked? Wanna see a big ol' cock shoved deep into it. But before that happens, I'm going to suck that cock until it gets rock hard and as big as it can. Only then will it go into my tight little ass.

my GIRLFRIEND AND THE HORNY MASSEUSE

After my girlfriend discovered this new spa she started going there as often as she could. She enjoyed the facials and especially loved the massages she would treat her self to. I teased her about the Italian man, Vito, who massaged her a few times asking if he was offering her sex. She assured me that he was very professional. I said she should ask him if he made house calls. He admitted he did work outside the spa but only at his house. He charged the same fee but said no tip would be necessary due to the fact he would not have to share the fee with the spa. Vanessa thought about this for a while and took him up on his offer.

She arrived at Vito's house on a late Monday after work. He lived only two towns away in a private neighborhood. Being south Florida, it was a very warm evening. He greeted her at the door wearing his usual black T-shirt and pants. He was pretty friendly and very professional about it. Vanessa followed him and was lead to his back screened in patio. His yard faced a large lake. Many tropical plants surrounded each side hid-

His hands captured the oil gliding it up to her shoulders and swiftly back down over her ass, thighs and legs coating them with the warm oil.

ing a six-foot fence. The sun was starting to set so the evening light was reflected off the water. Vanessa found his set up very erotic

when she discovered his massage table out side in the patio. He said it was very private here and he enjoyed the natural warmth of the outdoors. Maybe he saw a bit of hesitation on her part.

He reached over and rested one of his strong hands on her shoulder and started a gentle rubbing. She looked into his soothing dark eyes and felt compelled to follow his instructions. He asked her to get undressed and pointed to the table, he left her alone to get her a drink.

Vanessa was getting a wicked feeling as she removed her clothes. The table had a fresh sheet on it but no towel was around. She just expected to find some towels like at the spa and had not even looked until she was standing naked by her pile of clothes. Feeling a little awkward she guessed he might have planned it this way. She always felt he was trying hard not to look at her during the massage sessions in the past. A few times she heard him gasp as she

turned over under the towel, sure he had seen her 36D breasts and trimmed pussy. Well, she figured, what the hell. No sense in stopping now. She crawled onto the table and onto her flat stomach to wait for him.

Her masseuse friend appeared soon with her drink and a pile of towels. He smiled and apologized sheepishly, for not having them out sooner. Vanessa said sarcastically 'I bet you are!' She found his European accent and laugh sexy and did like the naughty idea of being completely exposed to this very good-looking man. He handed her the blue bottle and complimented her on her round ass.

Stepping over to the table he patted her butt softly. He quickly poured a generous amount of warm oil all over her soft skin. Vanessa felt the oil puddle in the small of her back. His hands soon started a gentle spreading of the oil. His hands captured the oil gliding it up to her shoulders and swiftly back down over her ass, thighs and legs. He covered her feet and swiftly covered her entire body with a coating of warm oil.

She rested her face through the table opening and enjoyed the sensation of his very strong hand

He was doing her hands and pulling her arms away from her body. The cool night air tickled her half exposed breasts. He seemed to be paying more attention than usual with her arm pulled away. She felt his eyes trying to get a glimpse of her large breasts. An evil thought popped in her head and Vanessa leaned up to reach for her drink. Watching him swallow hard as her round boobs stood out was worth the maneuver. She tilted her head back and took a long drink. He stood watching her boobs sway in their heaviness.

A few blue drops run down her throat and along her right breast. She enjoyed the show she put on just to see his reaction. As he walked back down to the foot of the table he removed his shirt saying it was

pretty warm tonight. Vanessa felt very comfortable with the cool air blowing against her oiled up body.

Vitto then started working on her feet. He lifted her calf and flexed her leg. He did some deep tissue work on the calf and was slowly pulling her leg away from her body. She felt him straighten her leg. Then holding her leg straight, he rotated her hip joint.

covering her body. A gentle warm breeze stared blowing up from the lake sending a shiver up her spine. She was not used to being so well coated with oil. When at the Spa she was always covered with a towel over her ass, which blocked the warm fluid that now ran slowly between her legs. She was opening her legs a bit so the warm fluid would not just sit in the slit of her wonderful ass.

BLAIR-NTS-10

As Vanessa rested her face through the table hole she felt her pussy becoming very wet as he pulled her leg gently away from her mid-line. Her pussy was actually opening up and feeling the cool night air play against her outer lips. She could almost feel the moistness of her juices as they separated from her sticky pussy skin folds. He let her legs spread as he lifted the opposite one. After doing the same hip rotations, she felt her legs spread out very far with her pussy fully exposed for this European's view. He then went to her feet and was using a very light touch, which always made her excited.

The sensations of hot oil, cool breeze, sexy strong hands were too much for her. She felt herself getting very wet down there. His hands glided up her leg and brushed against her pussy lips, which were always shaved. He ran his hands back down and now she was sure it was an intentional little feel on his part. His fingers boldly touched her pussy lips and lingered for a moment, long enough to cause a gasp from Vanessa.

She felt herself getting very wet down there. His hands glided up her leg and brushed against her pussy lips...

He leaned close to her ear and in his accented voice asked if everything was OK? Vanessa moaned a low reply that he was doing just fine. Her breathing was heavy and Vitto seemed to be testing her reaction to his touching of her pussy.

He seemed to have passed the test...

His fingers now played along the top of her spine. Slowly he pulled his hand down her spine to the center of her back. As one hand would run down her spine and stop, another would begin at the top and start the slow process again. Applying heavier pressure along her spine, he slowly reached further and further down towards the round firm mounds of her fine butt.

She was now wondering how far he would go when she felt his fingertips press along her ass crack. While one hand was slowly moving around her perfect heart shaped ass, the other hand was working that way to replace it. His fingers found her small anus and she cooed as he gently ran a finger around it. She felt his thumb apply direct pressure on her hole with firm pressure but he did

not push it in her ass. Keeping his thumb there against her hole as his other hand graced her spine sending shivers along her nervous system. She tried to control herself as her body finally spasmed and she could finally relax.

Two Guys Go Nicely Into Me!

I love to give head and get analized. Even though it's really for the guys, I like to pretend that I'm doing it for me and that really gets them off. But either way, I don't think they really care who likes it more as long as they get off on it. While I like girls and having sex with them, my body wants a cock and the strong man-muscles that I can lose my sex in.
